*note that The Concrete Society of Southern Africa is not currently registered for VAT

CSSA'S portfolio of services and events creates value for all its members through tailored categories of benefits aligned with different member profiles. Membership of this organization confirms a commitment to ensuring a dynamic industry.

Individual and Retired members accept membership in their personal capacity to gain industry relevant knowledge, collaborate and network with peers to stay abreast of trends in the industry.

Company members are when multiple employees of a company wish to become a member collectively. The Society caters for a vast range of company member options. Added benefits are received when joining as a company member which includes additional exposure and recognition.
