

THE NEW CONCRETE CODE: SANS 51992-1-1 - unpacked

SPONSORSHIP OPPORTUNITIES BENEFITS & CONDITIONS

Cape Town – 09 June 2026 | Durban – 11 June 2026 | Johannesburg – 23 June 2026

The Concrete Society of Southern Africa is proud to present a national seminar roadshow on the newly adopted SANS 51992-1-1 design standard. This roadshow will bring together industry professionals to engage with the latest developments in concrete design and application.

The primary audience will consist of candidate and professional structural engineers, alongside contractors, material suppliers, and other key role players within the built environment sector.

With a strong focus on practical implementation, durability, and compliance, the roadshow provides sponsors with a unique opportunity to connect directly with decision-makers and influencers across the industry.
